Required Math Recommendation Form & Placement Testing

- Additional copies of the *Math Recommendation form* are available to download.
- Give form to current Math teacher for completion
- Sign up for the Math Placement Test

Honors Courses

Requirements:

- Minimum 85% in current English and Social Studies classes (for LA & SS Honors)
- Minimum 85% in current Science class (for Science Honors)
- Demonstrates self-motivation & discipline
- Demonstrates the ability to self-advocate
- Is interested in a more challenging curriculum

If your student meets these general requirements, please submit the necessary paperwork to current teachers. (Language Arts & Social Studies Honors classes are fused, so forms need to be submitted for both to be eligible.) To maintain confidentiality, these forms are then returned to us directly by those teachers. Once recommendation forms are turned in and reviewed, students will be selected for classes.

- Additional copies of the *Language Arts Honors Recommendation form*, the *Social Studies Honors Recommendation form* and the *Science Honors Recommendation form* are available to download.
- Give forms to current LA, SS and/or Science teachers for completion.
- For Language Arts/Social Studies Honors, sign up for required Honors writing prompt (Math Placement & Honors Writing Test link).
